

## Scenic Saanich Peninsula Ride – 75 km total

**Parking:** Free parking is available at the Tsawwassen Mills Mall. Enroute to the ferry from the highway after you cross 52 Street take the third entrance to the mall and bear to the left in the mall parking. You will see the water slide park and park closest to this side of the parking lot. The distance to the ferry from here is 4 km so allow 15 minutes to ride to the ferry booths. You should be at the ferry booth by 7:45am at the latest

**Route Information.** This is an island ride so expect some hills and happily for the two steep hills, we are descending. We are mostly on rural, quiet roads and as it is rural, the signs say expect deer crossing. We'll have a coffee break at Mosi Café and Bakery, lunch at Mattick's Farm and catch the 4:00 pm ferry back.

### Directions

After disembarking, take the East exit, outside the gate, head right	R Alderley
