CCCTS Fraser Valley Chapter Member Survey

The Fraser Valley Chapter Steering Committee wants to hear from you!

A survey is currently in development and will be sent to members in January 2021. Your feedback will help guide the Chapter and assist in the planning and development of interesting rides and activities for members.

Be sure to watch your in-box. And, when you do receive the survey, please take a few minutes to complete it and let us know your thoughts, comments and questions.
