CCCTS Fraser Valley Chapter Ride Leaders

Thank you Ride Leaders

CCCTS Fraser Valley Chapter Week of Rides – July 12-16, 2021

A very successful Week of Rides. Kudos to David and Ralph for putting it together and also to the ride leaders and sub leaders who got us to our destinations and back again.

- We averaged 25 riders each day
- 46 members participated in at least 1 ride
 - 10 members did all 5 rides!

Advocacy

In 2021 FV CCCTS formed a cycling coalition with Team Coastal, White Rock 050, and HUB White Rock to provide user input to all levels of government on pending cycling route projects.

The coalition is providing input on the following projects :

- **32nd Avenue improvements**
- **40th Avenue crossing at 176th street**
- **Upgrade of 152nd street bridge crossing Nicomekl River**
- **Upgrade of King George Blvd bridge crossing Nicomekl River**
 - **Cycling Route GAP Analysis for Metro Vancouver**

It is a challenge, to say the least, to get heard but we are slowly getting others to see the importance of developing safe and complete cycling routes for the benefit of all levels of riders.

Thank You - Andrew Bacon and John Evanochko for their help to push these initiatives forward.
