Proposed CCCTS Cross Canada Tour

You should have received an email from Robin Howe, the CCCTS Tour Director, dated July 5th explaining a proposed Cross Canada Tour spread over 3 years (Year 1: 2025 - Vancouver to Winnipeg, Year 2: 2026 - Ottawa to St. John's Nfld., Year 3: 2027 - Winnipeg to Ottawa). It sounds like a most interesting adventure.

Here's the link to Robin's email - <https://cccts.org/fraser-valley-post/cycling-across-canada-plan-b-assessment-of-interest-from-robin-howe-tour-director/>

If you are interested in doing the whole tour or just the Vancouver to Winnipeg section in 2025, please email Robin at robincooksandsews@gmail.com

Kudos to Bruce McLean – *Thank you!*

The July CCCTS Newsbrief (which we trust you read) had a very complementary article on Bruce McLean who had served on the CCCTS Board for many years and made a major contribution to the growth and development of CCCTS. In addition, over the past few years, Bruce, who lives in South Surrey, has been assisting the Fraser Valley Chapter with CCCTS website development, user training and problem solving. Bruce, the Chapter very much appreciates your assistance over the past few years and we wish you well.

Week of Rides

After a two-year absence, the Chapter's Week of Rides returned (July 10-14) and was very successful with a good complement of riders each of the five days. Thanks to our ride leaders and kudos to Becky Judd, Caroline Carlisle, Neil McNeill and David Liggat for riding all five days.

Welcome New FV Chapter Members
