

## In Memory of.....

A long time former Member, Barbara Hetzer passed away December, 23, 2024 in Berlin.

Things have changed a great deal since she first joined the CCCTS.

She and her friend Sonja Joos participated in Overseas tours, helped organize Victoria Chapter Hub & Spokes & Social Events. Barbara was a great support to me while for many years I was the Editor of our venerable CCCTS Newsbrief.

That was the good old days when over 400 Newsbriefs were mailed out every month. Yes, we actually had to get them printed, folded, put in envelopes, stamps licked and mailed. Can you believe it, how old fashioned !

Those were the days when tours were organized at our own expense, and paid the same as other participants. How times have changed !

Anyways, here is to Barbara Hetzer and in the memory of many other forgotten members, who contributed greatly to the CCCTS throughout the years.... Without them The CCCTS would not be the Club it is today.

Rolf Petersen.
