HUB Cycling Bike Repair Event

Ocean Park Public Library – Saturday, May 31 (2 to 4pm)

As part of its Go by Bike Week (May 31st to June 6th), HUB Cycling will be having a bike repair event at the Ocean Park Public Library on Saturday, May 31st from 2 to 4 pm.

If anyone wants to volunteer to help out at this event, please contact Edward Dillon at drecdillon@gmail.com

Steering Committee Succession Planning

Several long serving Steering Committee members have indicated they wish step down at the end of this year so we are looking for people to join the committee and continue its good work. If you might be interested and wish to learn more, please contact Edward Dillon (drecdillon@gmail.com) or Linda Hensman (LRHensman@gmail.com).

Week of Rides July 14-18, 2025

Mark your calendars for this
year's Week of Rides.

Details to follow.

New Members

Please welcome our new FV Chapter members.

Bill Cotter

Michelle Temple

Mike Keenan

Danny Greig

Cheri Chapman

Linda Smith

Yves Trudel

Patricia Shelby

RWGPS Coordinator

A great deal of useful information on how to use RWGPS is available on the CCCTS website.

Click on “Ride with GPS” then “CCCTS and RWGPS” to find out more.

CCCTS has created RWGPS Coordinators for each chapter to assist members with RWGPS issues and questions.

Our thanks to Warren Sunstrum who has volunteered to be the FV Chapter RWGPS Coordinator and his email address is on the website.

Emergency Contact Medical Form

If you were unfortunate enough to have an accident or a medical event while on a CCCTS ride, would you want to notify somebody? CCCTS has developed an Emergency Contact Medical Form and encourages all riders to carry the form with them and/or on their bike (e.g., in a bike bag) when on ride.

You can find and download the form by:
logging into the CCCTS website, then

- clicking on this link - <https://cccts.org/club-document/medical-information-form/>

HUB Go By Bike Week - May 31- June 6

30+ Celebration Stations across Metro Vancouver!
View the full map of activities during Go By Bike Week

[GoByBike](#)

HUB Cycling uses the info to encourage safer infrastructure for cycling in the city.

Rides Into the USA

As you have probably noticed by now, there have not been any Chapter rides planned into the USA in part due to border crossing concerns. Unfortunately, this will continue until further notice.

April Social Ride

Our first social ride of 2025 was held on April 16th. Close to 40 riders enjoyed the sunny day beginning with coffee and cookies at Redwood Park followed by a ride to JD Turkey Farm. Thanks to those who organized the social and led the ride.
