

Tofino Bike & Hike Event May 12-15, 2025

The Victoria Chapter Get-Away to Tofino is now successfully completed.

19 participants attended the bike & hike event.

We enjoyed the views between the forest & ocean on the beautiful bicycle path between Tofino & Ucluelet.

There are numerous hiking trails to choose from & we decided to hike the Tonquin Trail that connects Middle Beach to Tofino. On the departure day Bob Louie led a short hike on the Lighthouse Trail in Ucluelet.

Thankfully, we had good weather for the bike & hike days. On our departure day, the rain escorted us out of town.

A special thank you to Bob & the Victoria Chapter Committee for all the ride, & get-away ideas.
