

CCCTS Victoria Steering Committee Minutes

Date: March 27, 2025

Location: Epsom Drive

Attendees: Don Mais, Donna Kerkhoven, Rolf Pedersen, John Pritchard, Mary Freeman

Regrets: Dianne Collier

11. January Minutes

Approved, pending correction of dates before posting to the website.

2. Ride Calendar

Confirmed rides will be posted to the CCCTS Victoria Calendar. A calendar link will be included in member messages. This will assist with planning and avoiding scheduling conflicts.

3. Treasurer's Report

Current balance: \$4,214.82, including \$400 received from HQ in March.

4. Restaurant Options

Suggested destinations for Wednesday and Sunday rides included Canoe Cove, Fickle Fig, Mary's Bleue Moon Cafe, Keating Pizza, Harvest Rd, Royal Bay Quality Foods, Oak Bay Marina, and Peninsula Pizza. While the \$10 meal goal is challenging, affordability remains a consideration.

5. Mikkel Bonner Memorial Ride

To honour Mikkel's contributions, a memorial ride and lunch is tentatively set for July 2. Coffee at Marigold Cafe, to Amity Overpass and a restaurant lunch.

6. Gerry Porter Memorial Ride

Planned for late July or early August. Starts from Brentwood Bay Ferry (to Mill Bay), then ride to a picnic lunch at Bright Angel Park. Three route options. Organizers: Don Mais and Bob Louie.

7. Howl at the Moon

Scheduled for June 11, 4:00 PM at Beaver Lake. Open to family, friends, former members, and members from Vancouver Island and the Lower Mainland. Will be promoted via Facebook (Donna), email (Rolf to coordinate), and added to the calendar.

8. Sol Duc Ride

The September Washington State Sol Duc ride is confirmed as cancelled.

9. 3-Ferry Ride Alternatives

With Ganges Hill under construction, alternative ride options are being considered:

- Ruckle Park (Salt Spring)
- Steveston Historic Site (shuttle available for 14 bikes, with return trips as needed)

- Tsawwassen Coastal Pathway

10. AGM Venue

Early discussion of alternate AGM venues included the Gorge Legion and the Camosun College Interurban Campus, as both have lunch options available.

11. Future Meetings

Steering Committee meetings will continue bi-monthly. Feedback and ideas from members are encouraged.
